In diesem Fall bieten wir Ihnen über unseren Fachberater „vor Ort“ ein technologisch verbessertes Folgewerkzeug an -oder eine

zumindest technisch gleichwertige Alternative. Bitte haben Sie dafür Verständnis, dass wir im Zuge unserer technischen Weiterentwicklung keine Verpflichtung zur Lieferung programmabereinigter Werkzeugtypen eingehen können, auch wenn diese noch in unseren Verkaufsunterlagen enthalten sind. Dafür garantieren wir Ihnen, Sie jederzeit mit Werkzeugen nach neuesten technologischen Erkenntnissen zu beliefern, die Ihnen Ihre Wettbewerbsfähigkeit und uns Ihre Zufriedenheit erhalten.

Gentile cliente,

noi puntiamo sempre alla massima qualità! La sua soddisfazione ci sprona a perseguire un costante miglioramento dei nostri prodotti.

Ciò richiede un'evoluzione costante degli attuali processi. La grandissima varietà dei nostri utensili richiede una cura continua. Mentre siamo impegnati nella ricerca di soluzioni migliori può talvolta succedere che, un utensile presente nei nostri cataloghi, non sia più disponibile in quella forma. In tali casi Le offriamo tramite il nostri consulenti in loco, un utensile tecnologicamente migliore oppure un'alternativa comparabile per qualità tecniche.

Il nostro sforzo nello sviluppo tecnologico ci impedisce talvolta di far fronte all'impegno di consegnare tipi di utensili non più presenti nel programma, anche se ancora compresi nella nostra documentazione di vendita. Per questo chiediamo la Sua comprensione. In compenso Le garantiamo la consegna di utensili innovativi dal punto di vista tecnologico che, da un lato Le consentono di rimanere concorrenziale e, dall'altro, ci assicurano la soddisfazione dei nostri clienti.
